

ODOR **HUNTER**TM *Instant Odor Eliminator*

Hunt odors down.
Destroy odors instantly.

Points to remember.

- ▶ **Patented technology delivers unique molecular mode of action**
- ▶ **Broad-spectrum effectiveness**
- ▶ **Not a masking agent or enzymatic product**
- ▶ **For professional use**
- ▶ **Easy-to-use spray**
- ▶ **Choice of concentrate or ready-to-use formulation**

Finally! A **patented odor elimination product** that instantly bonds with odor-causing molecules to deliver **fast, broad-spectrum control**. Odor Hunter is not a masking agent or an enzyme-based product, but a highly effective odor eliminator combining advanced technology with a **unique mode of action**. It attacks odor molecules at their source.

Intended for professional use in **commercial and industrial applications**, Odor Hunter is an easy-to-apply sprayable product. Choose our **economical** concentrate or **convenient** ready-to-use formulation and let the odor hunting begin . . . with Odor Hunter.

Odor Hunter stops odor in its tracks.

For instant odor elimination in the professional environment, there is no better choice than Odor Hunter Instant Odor Eliminator. A product of the Sostram Corporation, this versatile spray-applied formulation bonds with odor molecules and prevents them from causing additional unpleasant odors.
