VISIBLE MOUND  
HORMIGUEROS VISIBLES

HIDDEN MOUND  
HORMIGUEROS OCULTAS

**How AMDRO® Kills Fire Ants Yard Treatment Bait Works:**

- This product is a fire ant killing bait combined with an insect growth regulator. Worker ants carry it into the mound – as a result, the queen cannot produce new ants.
- They eat it and feed it to the queen – as a result, the queen cannot produce new ants.
- Without new ants to forage for food, the colony starves.
- Provides control of fire ants inhabiting visible mounds and the building of new mounds by unnoticed colonies is prevented.

**Cómo funciona el cebo de tratamiento para jardín contra hormigas bravas AMDRO® Kills Fire Ants Yard Treatment Bait:**

- Este producto es un cebo que elimina a las hormigas de fuego con un regulador de crecimiento de insectos. Las hormigas obreras lo transportan al nido como alimento para la colonia.
- Las hormigas lo comen y alimentan a la reina con eso. Como resultado, la reina no puede engendrar nuevas hormigas.
- Sin nuevas hormigas para buscar alimentos, la colonia muere de hambre.
- Ofrece control de las hormigas de fuego que viven en hormigueros visibles y se evita la construcción de nuevos hormigueros por colonias no percibidas.

**DIRECTIONS FOR USE**  
Use in accordance with the label. Do not use on vegetable or other food crops, timber or plants grown for sale or other commercial use, or for commercial seed production, or for research purposes.

**INSTRUCCIONES**  
Utilice este producto de modo consistente con las declaraciones de su etiqueta consultando una violación de las leyes federales. No aplique el alimento al grado que el cultivo tratado sea un cultivo de venta u otro uso comercial, o para la producción comercial de semillas o fines de investigación.

**Outdoor Use:**  
For large infested areas: Using a rotary broadcast spreader or hand held granular spreader, broadcast this product at 5 to 10 lbs/1000 sq. ft. (1.1 to 2.2 lbs/1000 sq. ft. (0.5 to 1.0 lbs/1000 sq. ft. (0.25 to 0.5 lbs/1000 sq. ft. (0.125 to 0.25 lbs/1000 sq. ft.))

**APPLICATION TIPS**

- For best results, apply in early morning or late afternoon when ants are most active and when the soil temperature is greater than 60°F.
- Do not apply when ground is soaking wet or when heavy rains are expected. Do not water after application.
- For convenient application to individual mounds, use original AMDRO® Fire Ant Bait.

**STORAGE AND DISPOSAL**

**PESTICIDE STORAGE:** Store in cool, dry, secure place and keep container closed. Store container away from children and pets. When properly stored, this product will retain its effectiveness for up to three months after the package has been opened.

**PESTICIDE DISPOSAL:** If partially filled – Call your local solid waste agency for disposal instructions. Never place unused product down any drain or outside dish.

**CONTAINER DISPOSAL:** If empty – Reusable container. Do not reuse or refill this container. Place in trash or for recycling if available.

**FIRST AID**

Have the product container or label with you when calling a poison control center or doctor, or going for treatment. You may also contact (800) 368-4774 for emergency medical treatment information.

**PRECAUTIONARY STATEMENTS**  
HAZARDS TO HUMANS AND DOMESTIC ANIMALS  
CAUTION

Avoid contact with skin, eyes, and clothing. Wash hands thoroughly with soap and water after handling. Prehandle contact or frequently repeated contact may cause allergic reactions in some individuals.

Do not apply this product in a way that will contact any person or animal directly or through drift. Keep people and pets out of the area during application.

**Environmental Hazards:** This product is toxic to fish. Do not apply directly to water. Do not contaminate water when disposing of equipment washwaters. Do not apply when weather conditions favor drift from target areas.

**NOTICE:** In the event conditions will apply, label, or other information is revised, the user of this product shall be bound by the label, the most restrictive of applicable law, Bayer assumes all risk of use and/or handling of this material when such use and/or handling contravenes the label instructions.

In case of an emergency endangering life or property involving this product, call day or night, 800-368-4774.
