PROFESSIONAL

ARMADILLO REPELLENT

Designed & formulated for professional use:

- Pest Control Operators • Landscapers • Grounds & Golf Course Superintendents
- All Landscape Installation & Maintenance Professionals

APPLICATION INSTRUCTIONS: Using a rotary spreader, cover the entire areas where armadillos are present with a 2-phase application over a two week period. The initial application will drive them out of affected areas and the second application will ensure they do not return for up to 45 days. **DAY 1:** Apply Armadillo Scram Professional to the entire affected area of lawn starting at the area furthest from where you want the armadillos to exit, then water for 5 minutes. Where the area permits, apply Armadillo Scram Pro in a band at least 30 feet beyond and around the infested area where tunnels and holes are present. **DAY 14:** Apply Armadillo Scram Pro over the entire affected lawn, watering in the same way. **COVERAGE 625 SQUARE FEET PER POUND.**

SEE FULL APPLICATION INSTRUCTIONS INSIDE.

PRECAUTIONARY STATEMENTS: Wash skin after use. Avoid contact with eyes or cuts. If in eyes, flush with water 15-20 minutes. Call Poison Center or doctor for treatment. **Storage:** Store in original sealed container. Do not contaminate water, food or feed by storage or disposal. Do not apply directly to water. **Disposal:** Do not reuse empty container. Dispose of properly. Buyer assumes all responsibility for safety & use not in accordance with directions.
